LOOKS AND FEELS
LIKE A PRECIOUS
HARDWOOD FLOOR
WITH ADDED BENEFITS

IMAGINE WHAT THIS FLOOR COULD DO FOR YOUR HOME

DE Die Designs der GRAND SELECTION Produktlinien haben ein grosses Vorbild: den Naturholzboden. Und diesem Vorbild sehen sie verblüffend ähnlich. GRAND SELECTION sieht nicht nur aus wie ein wertvoller Massivholzboden, es fühlt sich auch so an. Decor und Struktur sind in einzigartiger Perfektion aufeinander abgestimmt.

EN The designs of the GRAND SELECTION product ranges have a great role model: natural wood flooring. It looks amazingly similar to this role model too. Looks and feels like a precious hardwood floor – unrivalled in depth and precision of how the texture meets perfectly with the decor.

FR Les designs des gammes de produits GRAND SELECTION s'inspirent d'un modèle exemplaire: le parquet massif. Ils ressemblent d'ailleurs étonnamment à ce modèle. Il ressemble à s'y méprendre à un plancher en bois dur précieux – profondeur et précision inégalées pour une structure en harmonie avec le décor.

IT I design delle linee di prodotti GRAND SELECTION hanno un esempio eccezionale a cui ispirarsi: il pavimento in legno naturale. E a questo sono veramente molto somiglianti. L'aspetto e la sensazione sono quelli di un prezioso pavimento in legno massiccio – impareggiabile per la profondità e la precisione del perfetto connubio di struttura e decoro.

ES Los diseños de las líneas de productos de GRAND SELECTION tienen un gran modelo: el suelo de madera natural. Y muestran un parecido asombroso con este modelo. Tiene la apariencia y el tacto de un valioso suelo de madera dura – sin rival en cuanto a profundidad y precisión de coincidencia perfecta entre el decorado y la veta.

PT Os designs das linhas de produtos GRAND SELECTION possuem um enorme modelo: os pavimentos naturais em madeira. E os produtos são espantosamente semelhantes a este modelo. Pavimento de madeira de qualidade superior, tanto no aspeto como na perceção – incomparável na forma como a estrutura casa bem com o padrão da madeira.
